

Participant Passenger Liability Waiver

I, _____, understand that I am receiving a ride from a volunteer that will take me to a SPLORE program. I am making the decision to accept the ride from the volunteer. I understand that there are natural dangers to riding in any vehicle and choose to accept those dangers at my own risk. I also understand that the volunteer is not a SPLORE staff member and therefore, if anything should happen on the way to my destination, I will NOT hold SPLORE responsible and waive SPLORE from any liability.
