

RIVER GUIDE

Job Posting

REPORTS TO: River (Moab Program) Manager

OVERVIEW

The River Guide is a personable, responsible and effective individual who is passionate about guiding clients in the outdoors, while being dedicated to improving the quality of life for people of all abilities. This is a full-time seasonal guide position that works closely with the River Manager and other program personnel.

KEY RESPONSIBILITIES

Program Leadership:

- Guides oar-rigs and paddle boats on river trips.
- Facilitates large and small groups.
- Teaches natural and human history of the Colorado Plateau and Colorado River.
- Assures proper risk management.
- Assists with food packing, preparation and clean-up.
- Supervises and mentors interns and volunteers on programs.
- Assists in staff trainings.

Equipment:

- Organizes, maintains, repairs, and adapts equipment to enable participants with special needs to participate fully in each activity.
- Drives 15-passenger vans, trucks and trailers responsibly.

General Administration:

- Assists in trip preparation and planning.
- Assists with office projects.
- Attends outreach and special events.
- Gives and receives feedback to co-workers and other staff members.
- Assists with any and all aspects of the programs as directed by the River Manager.

Qualifications

- Current WFR and CPR certification

- Current driver's license and clean driving record
- Current Utah Guide License
- Experience working with people with disabilities
- Experience with commercial river guiding
- Outgoing personality and ability to have fun with a diverse group of people
- Willingness to work on both program based and office based projects
- Excellent communication, facilitation, and people skills
- Physical ability to participate in recreation activities for 6+ hours, including loading and unloading gear
- Ability to work mid-April through early September.

Benefits

Salary: \$1600/month
